

Coast Guard Auxiliary Missions

The Coast Guard Auxiliary conducts a vast array of missions, as IS officer you should become familiar with the missions that are available and the missions that are most common for your area and your members. The general Mission Categories are:

- Auxiliary Maritime Patrols
- Search and Rescue
- Navigation Systems
- Member Training
- Coast Guard Operational Support
- Coast Guard Administrative Support
- Recruiting Assistance
- Recreational Boating Safety (RBS)
 - Program Visitation
 - Vessel Safety Checks
 - Public Education
 - Public Affairs
- Marine Environmental Protection (MEP)
- Government Support
- Ice Reconnaissance (Ice Recon)
- International Affairs
- Legislative Outreach
- Marine Safety
- Health Services
- Legal Services

Resource List

Within each of these general mission categories are mission sub-categories. Each sub-category can be identified by a mission category number and resource type as follows:

- **Air (A)**– This involves the movement of an Auxiliary Aircraft under orders.
- **Boat (B)**– This involves the movement of an Auxiliary Vessel under orders.
- **Radio (R)**– This involves the use of an Auxiliary Radio Facility.
- **Unit/Individual (U)** – This involves the activities of members not using one of the above resources.

Selecting the proper resource is vital for accurate reporting and data entry.

- **Auxiliary Maritime Patrols (ANSC Form 7030)**
 - **01A - Maritime Observation Mission (MOM)** (A,B,R)– Time spent on a mission conducted under Coast Guard orders with an Auxiliary Operational Facility and a qualified Auxiliary Coxswain/Pilot/Crew/Communicator with any required crew,

recording information about ships, facilities, and critical infrastructure as directed by cognizant Coast Guard Authority; identifying hazards or potential hazards in ports or waterways; reporting port, waterway, or coastal activity/incidents that affects the safety of the area or jeopardizes the critical infrastructure.

- **01B – Trailering (B)** – Time spent trailering a boat resource to a launch ramp for any authorized patrol. Indicate in the Local Notes opposite the members who were involved in the trailering mission if it was not everyone included on the patrol.
- **01C: Auxiliary Paddle Craft (AUXPAD) Operations (B)** - Use this code for time spent on a mission under Coast Guard orders, with an authorized AUXPAD facility and qualified AUXPAD operator, conducting AUXPAD afloat recreational boating safety (RBS) outreach activities. If other authorized activities (SAR, aids to navigation verifications, marine event patrols) are undertaken in addition to RBS outreach, use the appropriate codes for those missions and account for time spent on those missions in the itinerary section of the patrol orders. Used only for kayaks per the AUXPAD instruction.
- **01D: Operational Standby (A,B,R)** - Use this code for time spent available under Coast Guard orders with an Auxiliary operational facility (vessel, aircraft or radio) and qualified crew who are operationally ready for duty (B-0 status) but not currently underway, airborne, or in operation. The facility must be ready for operations with qualified crew in the immediate vicinity of the facility and in prescribed uniform, ready to proceed without delay. For example:
 - Prior to getting underway, as the crew is preparing for a mission
 - When moored for meals, breaks, or other logistics stops
 - When not in physical control of a radio facility
 - Standing by at an airport or dock for pickup of passengers or equipment
 - Debriefing and cleaning up a facility after an underway mission.
- **02 – Regatta/Safety Zone Support (A,B,R)** – Time spent on a patrol under Coast Guard orders for an organized regatta with an Auxiliary Operational Facility and a qualified Coxswain/Pilot/Crew.
- **03 – Navigation Systems Patrol (A,B,R)** – Time spent on a navigation systems mission, that is, a mission for the purpose of observing discrepancies on aids to navigation and bridges, checking federal aids, verifying private aids and surveying bridges, and confirming the accuracy and completeness of information published on charts and related navigational publications. Conducted under Coast Guard orders with an Auxiliary Operational Facility and a currently certified Aid Verifier and qualified Auxiliary Coxswain/Pilot and Crew
- **22A – Operations Training (Qualifications) (A, B)** – Hours spent underway on training missions involving surface/air operations, by coxswains, pilots, and crew, who are not IT qualified, which are not otherwise reportable as a Safety Patrol, CG Operational Support or Member Training Mission.

- **22B – Operations Training** - (R, U) Hours spent NOT underway on surface/air operations training by coxswains, pilots and crew, who are not IT qualified, which are not otherwise reportable under Member Training. Also for use by Land Mobile Operator or a Unit Mission.
 - **23A – SAR Standby** (A,B,R) - This code shall be entered **ONLY** when specifically assigned by the Order Issuing Authority (OIA) to assume dedicated SAR standby for an actual or potential SAR mission. The facility must be ready for immediate SAR response, with a qualified crew in the immediate vicinity of the facility and in the prescribed uniform. Situations which may merit assignment to SAR Standby are:
 - Prolonged searches where active duty crews are likely to exceed fatigue standards
 - SAR coverage in cases where active duty assets are not available due to unexpected or prolonged machinery/equipment casualties
 - On busy/holiday weekends to assist with a high likelihood of SAR events
 - For any situation deemed appropriate by the OIA.
 - **24 – Search and Rescue Prosecution (SAR)** (A, B, R) – Time spent on a SAR case under Coast Guard orders with an Auxiliary Operational air/vessel/radio facility with a qualified Coxswain/Pilot/Crew/Communicator. Include any SAR Call Out of air/vessels/radio facilities under this mission.
 - **54A – Logistics Mission** (A, B) – Hours spent in the logistical transportation of personnel or material via Auxiliary Aircraft or Boat facility. Must be authorized and conducted under Coast Guard orders.
 - **55A – Air/Vessel Intercept** (A, B) – Auxiliary air/vessel facilities working with the Coast Guard to provide practice in identifying and intercepting targets.
- **Navigation Systems (ANSC Form 7030)**
 - **30 – Navigation Systems – Federal** (U) – This activity includes hours spent by a Certified Aid Technician “NE” servicing Federal Short Range ATONS and Lighthouses. It also includes the hours spent and the activity of checking and reporting any Federal Short Range aid at the direct request of any CG Unit. The hours spent and the discrepancies on any federal aid casually observed and reported by any Auxiliarist to the Coast Guard are included as part of this mission. Time spent while on an authorized patrol is not reported as part of this mission.
 - **31- Navigation Systems – Private** (U) – This mission includes hours spent on verifying and reporting all Private Short Range Aids to Navigation by a currently certified and qualified Aid Verifier “AV” at the direction of the Coast Guard (dpw) or ANT Unit, including the reporting of all Non-Permitted PATONs. The hours spent casually observing and reporting any discrepancies on any private aids to the

Coast Guard by any Auxiliarist are included as part of this mission. Time spent while on an authorized patrol is not reported as part of this mission.

- **32 – Navigation Systems – Bridges (U)** – This mission includes hours spent on observing and reporting on bridge discrepancies and on doing bridge surveys. The hours spent and any discrepancies on the bridge casually observed and reported to the Coast Guard by an Auxiliarist are included as part of this mission. Time spent while on an authorized patrol is not reported as part of this mission.

- **Member Training (ANSC Form 7030)**

- **06A – Operational Training (U)** – Hours spent as a qualified instructor for any Operational Member Training activity including boat crew mentoring and presenting the Operations/Air workshop.
- **06B – Other Member Training (U)** – Hours spent as instructor for any Member Training activity, including CG courses, specialty courses, basic qualification, instructor, vessel examiner, or program visitor classes and workshops, other than the Operations Workshop.
- **06C – AUXSCE Instructor (U)** – Hours spent as a qualified AUXSCE Instructor while teaching the AUXSCE (Auxiliary Search Coordination and Execution Specialty Course) course.

- **Coast Guard Operational Support (ANSC Form 7030)**

A service provided to Coast Guard units in support of Coast Guard operational programs. Included are those missions specified below. This mission does not involve the movement of an Auxiliary Facility.

- **07A- Watchstanding (U)** – Use for any type of watch at a Coast Guard Unit except for Radio Watch which is code 20B.
- **07B – QE Shore Side Checks (U)** – All QE's (Qualification Examiner) are to use this entry for performing shore side check-offs.
- **07C – QE Underway Checks (U)** – All QE's (Qualification Examiner) are to use this entry for performing underway check-offs.
- **07D – Coast Guard Operational Support (R, U)** – Any Coast Guard support mission not otherwise shown, including but not limited to, Officer of the Day Duties, Logistics Support, Area Familiarization by a non-facility, Front End Analysis. Use this code to report time spent working at CG ANT Units and DPW. Exception: For MS or MEP Coast Guard Support use code 70C. Use this code to report AUXCA (Aux Culinary Assistant) activities for Coast Guard Units.
- **20B – Radio Watchstander/Net (R, U)** – Hours spent as a qualified Watchstander at a Coast Guard or Auxiliary fixed land radio station, when specifically requested by the Coast Guard. Wearing a beeper is not reportable. Only one operator is reportable per radio. Also report any time on an authorized Auxiliary Radio Net.

- **22B – Operations Training** (R, U) – Hours spent NOT underway on surface/air operations training by coxswains, pilots and crew, who are not IT qualified, which are not otherwise reportable under Member Training. Also for use by Land Mobile Operator or a Unit Mission.
 - **22C – Instructor for CG Courses** (U) – Hours spent as an instructor for any Coast Guard active duty, civilian, or reserve courses. All instructors must be fully qualified as an Auxiliary instructor.
 - **22D – Sector Coordinator** (U) – Hours spent in performing the duties of an Auxiliary Sector Coordinator.
 - **26 – Crew Augmentation** (U) – Time spent serving as a qualified crew on Coast Guard, not Auxiliary, vessels or aircraft. All time is reported on any line other than “Lead”.
- **Coast Guard Administrative Support (ANSC Form 7030)**
 - **08 – Coast Guard Administrative Support** (U) – Time spent providing support to the Coast Guard in areas other than operations or recruiting. Must be authorized and can be either ashore or aboard a Coast Guard boat or cutter. Assigned duty could be administrative or clerical.
 - **92 – AUXDATA Entry** (U) – Time spent entering data into AUXDATA II as an FSO/SO-IS authorized user. Time spent entering data as a DIRAUX or National user should be reported as category 08, Coast Guard Administrative Support.
- **Recruiting Assistance (ANSC Form 7030)**
 - **09 – Academy Introduction Mission (AIM)** (U) – Activity directly related to the recruitment and support of students involved in the annual AIM program. This includes time spent on public appearances, interviewing, counseling, or selecting a candidate for the AIM program. All hours spent coordinating logistics for and providing direct on-scene support during AIM program shall also be reported. When performing a mission outside your home or office, it must be performed in proper uniform.
 - **90A – Coast Guard Partners Program** (U) – Hours spent in recruitment of the public into the Coast Guard Academy, exclusive of AIM support (see code 09). Report all hours performing public appearances in support of the Coast Guard Academy. This includes all hours spent coordinating logistics for students to report to the Coast Guard Academy as a cadet.
